Ms. Preethi Poduval presented her research work entitled 'Marine viruses' in the one day seminar on product design and design thinking, model building, innovative ideas and creativity organized by the Institution's Innovation Council (IIC) on 17th December 2019 at DCT's Dhempe College of Arts and Science.
46. Ms. Samantha Fernandes presented her research work entitled 'Hypersaline bacteria as probiotics in aquaculture' in the one day seminar on product design and design thinking, model building, innovative ideas and creativity organized by the Institution's Innovation Council (IIC) on 17th December 2019 at DCT's Dhempe College of Arts and Science.
47. Dr. Sapna Gaitonde presented her work entitled 'Genetic diversity, virulence and environmental factors affecting the survival of *Ralstonia solanacearum* infecting eggplant *Solanum melongena* L. from Goa and Western region of India' in the one day seminar on product design and design thinking, model building, innovative ideas and creativity organized by the Institution's Innovation Council (IIC) on 17<sup>th</sup> December 2019 at DCT's Dhempe College of Arts and Science
48. Vinita Mayenkar presented a paper titled, "Clay mineral composition of surface sediments from the western continental margins of India and their implication on provenance" at the 6<sup>th</sup> Biennial Conference of Ocean Society of India (OSICON-19): Indian Ocean Processes and Resources- A key to Blue Economy held at Centre for Marine Living Resources and Ecology (CMLRE), Kochi, during 12<sup>th</sup> to 14<sup>th</sup> December 2019.
49. Mr. Chandan Naik participated in 'Product Design and Design thinking/Model building/Idea of Innovation/ Creative research and presented his work titled, "Tailoring spinel ferrites for magnetic applications" organised by Institution's

Innovation Council of Dhempe College of Arts and Science, Miramar Goa on 17<sup>th</sup> December 2019.

50. Dr. Sonia Parsekar participated in 'Product Design and Design thinking/Model building/Idea of Innovation/ Creative research and presented his work titled, "Novel and Green approach for synthesis of biologically important heterocycles" organised by Institution's Innovation Council of Dhempe College of Arts and Science, Miramar Goa on 17<sup>th</sup> December 2019.
51. Dr. Manjunath Nayak participated in 'Product Design and Design thinking/Model building/Idea of Innovation/ Creative research and presented his work titled, "Design and development of Solar panels" organised by Institution's Innovation Council of Dhempe College of Arts and Science, Miramar Goa on 17<sup>th</sup> December 2019.
52. Dr. Ashish Prabhugaonkar participated in 'Product Design and Design thinking/Model building/Idea of Innovation/ Creative research and presented his work titled, "Revisiting Indian anamorphic fungi in the age of Molecular phylogeny" organised by Institution's Innovation Council of Dhempe College of Arts and Science, Miramar Goa on 17<sup>th</sup> December 2019.
53. Dr. Pratibha Jalmi participated in 'Product Design and Design thinking/Model building /Idea of Innovation/ Creative research and presented her work titled, "Diversity and Phylogeny of Bambusicolous fungi from North East India" organised by Institution's Innovation Council of Dhempe College of Arts and Science, Miramar Goa on 17<sup>th</sup> December 2019.
54. Dr. Miskil Naik participated in 'Product Design and Design thinking/Model building /Idea of Innovation/ Creative research and presented her work titled, "Design and Fabrication of Human Power Energy System" organised by Institution's Innovation Council of Dhempe College of Arts and Science, Miramar Goa on 17<sup>th</sup> December 2019.
55. Dr. Shilpa Bhonsle presented a poster titled "Comparative study of vegetables grown in hydroponics and soil medium" at a national level seminar on "Bioprospecting for Sustainable Development" held on 24<sup>th</sup> and 25<sup>th</sup> January 2020.
56. Ms. Marina Janice Rodrigues attended and presented a paper entitled 'Arbuscular Mycorrhizal (AM) fungal studies in some Endemic flora of Goa University Campus' at National Seminar on 'New Vistas in Botany' organized by Department of Botany, Goa University on 13<sup>th</sup> and 14<sup>th</sup> February 2020.

57. Mr. Manjunath Nayak presented paper 'Structures of Lithium Calcium Silicate glass with Fe<sub>2</sub>O<sub>3</sub>' at national Symposium on recent trends in Condensed Matter Physics and Material science organized by Goa University and IIT Goa on 12<sup>th</sup> and 13<sup>th</sup> March, 2020
58. Dr. Alisha Fernandes presented a poster and secured the fourth rank in an international web conference on Chemistry and Environment Interface 2020 organized by IQAC and Department of Chemistry of Arts, Commerce and Science College, Langa held on World Environment Day, on 5<sup>th</sup> June 2020.
59. Mrs. Manisha Mhalsekar participated in the "International Symposium on Materials Science and Innovation for Sustainable Society" organized by Nanomaterial Research Centre, Meijo University, DCT's Dhempe College of Arts & Science and Government College of Arts, Science and Commerce, Khandola, under Cluster of Colleges for Research in Chemistry Goa on 26<sup>th</sup> & 27<sup>th</sup> August 2020, and made an oral presentation titled "Comparative Study of Degradation of Pesticide Thiamethoxam in Presence of N-Doped Zinc Oxide and Iron Ore Tailing".
60. Dr. Manjunath Nayak- Presented a research paper in oral form at the International webinar on "International Symposium on Materials Science and Innovation for Sustainable Society" organised by Nanomaterial Research Center, Meijo University, DCT's Dhempe College of Arts & Science and Government College of Arts, Science and Commerce, Khandola, under Cluster of Colleges for Research in Chemistry Goa on 26<sup>th</sup> & 27<sup>th</sup> August, 2020, Goa - India.
