Action taken report of Feedback on Curriculum

ACADEMIC YEAR 2019-20

Based on the feedback received and analyses of the same, key actions were initiated towards curriculum transaction for student development within and beyond campus. These steps were taken based on the employers' feedback as well.

Significant initiatives were taken in areas that received the lowest score. Core indicators and steps taken therein have been outlined below:

Sr.no.	Improvement sought in	Action Initiated/Taken
1	Enhancing employment	i) Online interaction between students and industry-experts. The same has been made domain-specific. Activities already conducted by Departments of Physics and English.
2	Analytical abilities	i) Exposure to cutting-edge research being undertaken at global level through international conference in innovation with Nobel Prize winner in Chemistry, Akira Yoshino, as Resource Person. ii) Guided students in making informed awareness videos about the National Education Policy
3	Value-addition and soft-skills of students	i) Organised Student-led Webinars ('Conclave', 'Interactions') ii) Organised Online National Student Conference
4	Creativity of students	iii) Encouraging students to use online platforms effectively and innovatively through activities. Cosplay event undertaken by Department of English
5	Strengthening knowledge-domain of students and catering to student-diversity by promoting self-paced learning opportunities	iv) E-content creation through Digital Integrated System of Teaching and Virtual Orientations (DISHTAVO) and customized videos using OBS and other softwares.
