#### **Report on the hands-on workshop on 'AI in Excel' held on 11<sup>th</sup> March 2025.**

**Date:** March 11, 2025

**Participants:** Undergraduate Students of Biotechnology, DCT's Dhempe College of Arts and Science, Panaji, Goa

On 11th March 2025, the Department of Biotechnology at DCT's Dhempe College of Arts & Science organized a three-hour hands-on workshop titled "AI in Excel" for undergraduate students. The workshop aimed to equip students with the knowledge and skills to leverage AI tools within Microsoft Excel to enhance their data analysis capabilities.

#### **Objectives:**

1. To introduce students to the fundamentals of MS Excel.
2. To provide practical training on using AI features in Excel for data analysis.

#### Workshop Highlights

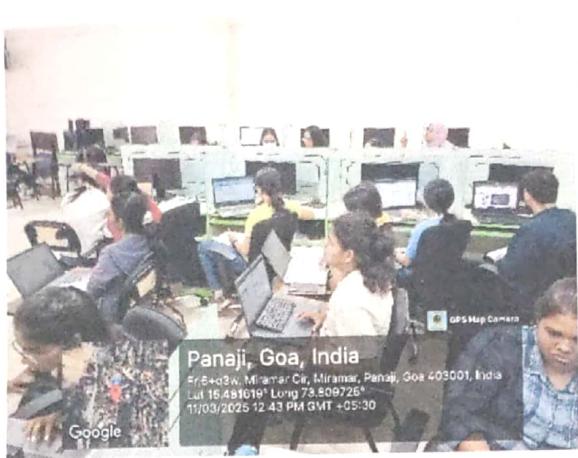

The workshop was conducted in association with Xanthus Institute, Porvorim. The resource person, Dr. Kalpana Chaudhari, delivered a captivating presentation on the basics of Excel and data analysis, making complex concepts accessible to students. An interactive Hands-On session and group activities allowed students to engage in practical exercises using AI tools in Excel, guided by step-by-step instructions. Students expressed enthusiasm for the workshop, appreciating the practical nature of the training and its relevance to their studies.

#### Conclusion

The 'AI in Excel' workshop successfully introduced undergraduate biotechnology students to the potential of AI in data analysis and research. The hands-on training and interactive sessions equipped students with valuable skills to aid them in their academic and professional pursuits. The positive feedback received highlights the effectiveness of the workshop and the interest in further exploring AI applications in biotechnology.
