**Report on the hands-on Workshop on Bakery at FoodyBreaks Academy Porvorim for
First Year Biotechnology students under DBT Star College Scheme**

The students of First Year Biotechnology of Dhempe College of Arts and Science, Miramar attended a one-day hand-on Bakery Workshop at Foody Breaks Academy, Porvorim, Goa. The workshop was held over two days, with students divided into two batches. Batch 1 was accompanied by Dr. Reshma Zakane on 10th March 2025, and batch 2 was accompanied by Ms. Nerissa Lobo on 12th March 2025.

It was a hands-on experience where students learned baking techniques from professional Chef Kunal Arolkar. The chef guided the students through the preparation of baklava, shortcrust dough, apple tarts, and Bakewell jam tarts. Students also worked on choux pastry for chocolate éclairs and mousse, along with lamination techniques for puff dough use in vegetable patties and puffs. Also, students made cheese straws and learnt the Rub-in Method to make crumbles. The session was packed with valuable tips on precision, texture, ingredient selection, temperature control and also detailed information explaining the purpose behind each step and the role of specific ingredients.

The workshop was a fantastic learning experience, providing both hands-on practice and in-depth knowledge of baking. Students gained new skills, enjoyed experimenting and, tasted the delicious creations. Moreover, the scientific approach to baking made the session even more insightful.

**Total no of beneficiaries: Students: 24 (Males:8; Females:16)
Faculties: 2 (Female: 02)**
