Report on the Entrepreneurship Development Program organized by Entrepreneurship Development Institute of India Goa center on 3rd March 2025

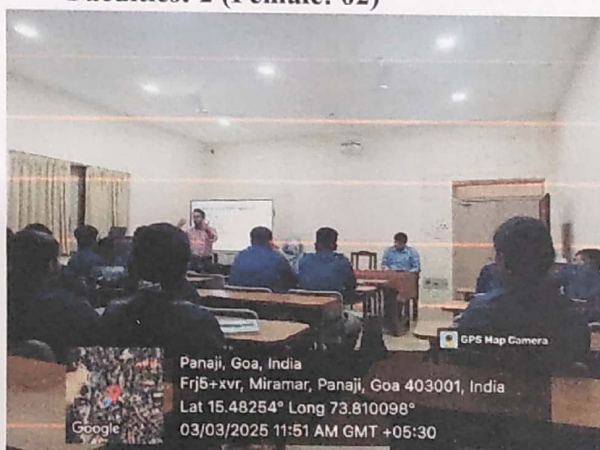

The Department of Biotechnology, in collaboration with the Entrepreneurship Development Institute of India (EDII), Goa Centre, organized an Entrepreneurship Development Program on March 3rd, 2025, at Dhempe College. The session aimed to educate students on entrepreneurship, business opportunities, and transforming ideas into ventures.

Dr. Reshma Zakane welcomed the participants, and Mr. Siddharth Joshi, Program Officer at EDII Goa, introduced key entrepreneurial concepts, including innovation, risk-taking, and business challenges. Dr. Abdul Razak, Associate Faculty and In-Charge at EDII Goa, conducted an engaging session on entrepreneurship and business planning. He guided students in creating a Business Model Canvas (BMC) to structure their ideas by analyzing key components like value proposition, customer segments, and revenue streams.

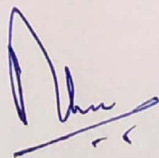

Students brainstormed and presented five business ideas, selecting one to develop through the Business Model Canvas framework. The interactive session encouraged critical thinking and practical application of entrepreneurial concepts.

The program concluded with a Vote of Thanks by Mrs. Mrunal R. Phadke, expressing gratitude to the resource persons and participants. The session proved highly enriching, equipping students with essential entrepreneurial knowledge and practical tools to explore business opportunities.

**Total no of beneficiaries: Students: (Males:11 ; Females:14)
Faculties: 2 (Female: 02)**
