

DCT's Dhempe College of Arts and Science, Miramar, Goa

Report on Bootcamp on Entrepreneurship

Total number of beneficiaries: Students- 80, faculty- 08

Bootcamp on Entrepreneurship was organized by the Department of Physics, Biotechnology and Department of Economics supported by Star DBT College scheme on 26th February 2024 in Swami Vivekananda Hall, Dhempe College from 10:00 – 1:15pm. The coordinator for the programme was Dr. Shilpa Samant, Associate Professor from the Department of Economics.

The session commenced with an address note from Prof. Vrinda Borker, the Principal of the college. Dr. Shilpa Samant, Associate Professor in Economics, then welcomed the first speaker, Ms. Poonam Shirshat, a Mentor & Motivational Speaker. She shared invaluable insights on the topic "How to convert an idea into expertise?" by illuminating the intricate process of transforming an idea into a successful enterprise. Ms. Shirshat provided practical guidance and a strategic approach to turn concepts into reality for building a thriving venture.

The second speaker, Mr. Haroon, a startup founder, was welcomed by Dr. Miskil Naik, Assistant Professor in Physics. Mr. Haroon shared his experiences, detailing the journey through the highs and lows of being a Techno-entrepreneur. He also offered insights into the power of manifestations in the entrepreneurial journey, providing valuable lessons from his own professional life.

Dr. Salma Muzawar, Assistant Professor in Biotechnology, then welcomed the third speaker, Mr. Shivraj Naik. Mr. Naik shed light on ideation with a focus on problem-solving and introduced remarkable initiatives like GSIInC (Goa State Innovation Council), VIR (Virtual Innovation Register), and various support schemes.

The last speaker of the day, Ms. Rahmat Shaikh, Founder & Marketing Strategist at SociAlly, was welcomed by Mr. Narayan Naik, Assistant Professor in Economics. Ms. Shaikh eloquently discussed the crucial '8C's' in Entrepreneurship – a term encompassing the core values and principles underpinning successful ventures. She emphasized the importance of cultivating a culture of integrity, adaptability, and commitment towards a venture.

Concluding the session, Mr. Kamlesh Korgaonkar, Assistant Professor in Biotechnology, delivered the vote of thanks, expressing gratitude for the enriching and insightful presentations. The Entrepreneurship Bootcamp proved to be a valuable platform for knowledge exchange, practical insights, and inspiration for aspiring entrepreneurs. The event was coordinated by Dr. Shilpa Samant, Dr. Miskil Naik & Ms. Mrunal Phadke.
