Report of Science exhibition

Department of Chemistry, Dhempe College of Arts and Science, under the DBT star college scheme organized the exhibition 'Rasayan.... connecting bonds inspiring minds' as a part of the annual Science exhibition on 30th January 2024. 55 students of the college participated in the exhibition and displayed 20 exhibits which included amazing experiments.

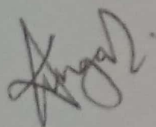

The main objective of the event was to inspire and develop scientific temper among young chemists. The chief guest for the opening ceremony was Dr. Levinson Martins, Director, Department of Science, Technology and Waste Management, Goa. Along with the chief guest, Administrator Shri Rajesh Bhatikar and the Principal of the College Prof. Vrinda Borker visited the exhibition and commended the efforts of the students.

Some of the exhibits displayed were Electroplating, Electrolytic cell, Electrolysis of water, Detection of preservatives, Bioplastic, Tin Dendrite formation, Smoky bubbles, Chemical garden, Christmas tree, Golden rain, Glowing waterfall, Invisible ink, Making Rayon fibres, Fake blood, Isotopic model of Helium. The exhibits were judged by Dr. Suchana Amonkar, Associate professor, Department of Zoology and Dr. Ashish Prabhu Gaonkar, Assistant Professor, Department of Botany. Exhibit on 'electrolysis of water' won the first place.

Dr. Durga Timble, Assistant Professor, Department of Chemistry was the coordinator for this one-day annual science exhibition. Ms. Dipika Gosavi, Assistant Professor, Department of Chemistry, and Ms. Medha Gaude, Assistant Professor, Department of Chemistry were the members of the organizing committee and assisted the participants in the smooth conduct of the exhibition.

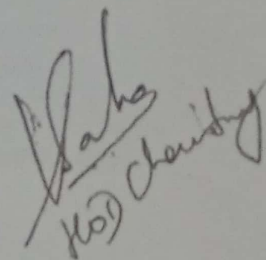

Students from several schools and higher secondaries across the state of Goa visited the exhibition. In total, 181 students and staff members visited the exhibition. Student participants, explained the chemistry behind each experiment to the visitors. Most of the participants rated the exhibition as excellent.
