### ABOUT COLLEGE

DCT's Dhempe College of Arts and Science is the premier institution of higher learning in the state of Goa. Its establishment in 1962, in the newly liberated state of Goa, stands out as evidence to the Dempo family's vision of promoting freedom through education. Their efforts along with those of other like-minded philanthropists at the time have engendered a rich legacy; one that every 'Dhempeite' proudly upholds. Dhempe College has been the alma mater to pioneers in the fields of liberal arts, science and technology in Goa, India and overseas. The college has been re-accredited by the National Accreditation and Assessment Council (NAAC) in the year 2022 with 'A' grade and is also ISO certified.

Department of Botany in association with Mycoasia- journal of modern mycology organizes a National seminar under DBT star college scheme titled

## 'FASCINATING WORLD OF FUNGI'

Friday, 19<sup>th</sup> and Saturday, 20<sup>th</sup> January 2024, 9.30 am – 4.00 pm, Swami Vivekananda hall in our campus
