**Report of field visit to Fish Farm, at Querim, Sattari for F.Y. B.Sc. students on 14/03/2024, under DBT Star College scheme.**

- The F.Y. B.Sc. (major) students of the Department of Zoology visited the Fish Farm at Querim, Sattari as a part of practical syllabus. Total 23 students and 02 faculty members visited the site on 14/03/2024. This field trip was a part of student's curriculum to gain practical knowledge about ornamental fish. The visited the aquarium, where the students learned about the different exotic ornamental fish species, their breeding techniques, rearing and also got hands on training in packing the fish for transportation.
