### Seminar on the topic “Eco-friendly Life for a Sustainable Future.”

On the occasion of Green day celebration  
(Under DBT Star College Scheme)  
organized by Chromophore Club of the Department of Chemistry

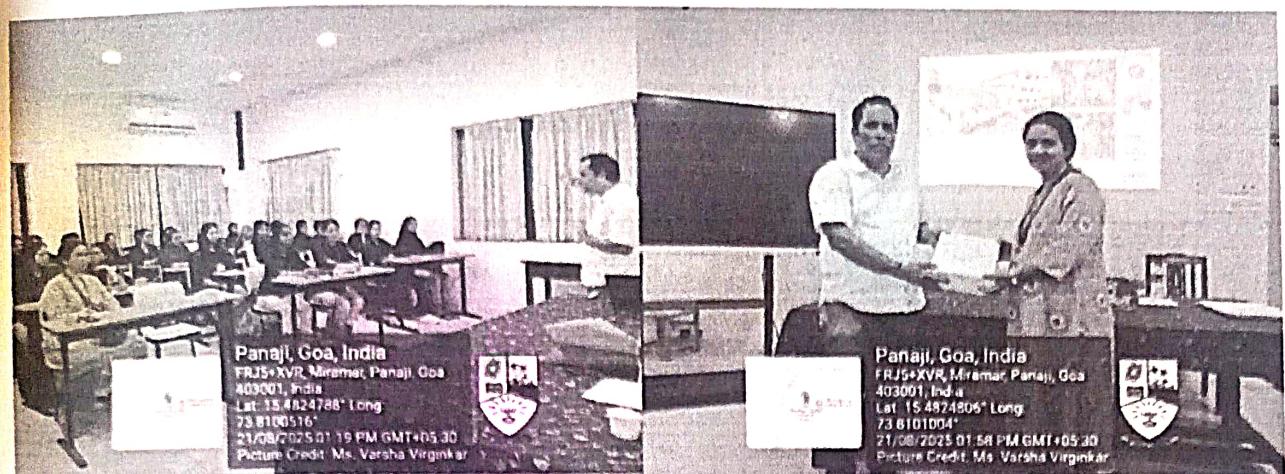

As part of the Green Day Celebrations the Chromophore Club of the Department of Chemistry, DCT's Dhempe College of Arts and Science, Miramar, organized a session on “Eco-friendly Life for a Sustainable Future.” by **Dr. Rajesh Pednekar**, Associate Professor, Dnyanprasarak Mandal's College and Research Centre, Assagao, Bardez-Goa.

The function was **compared by Dr. Shashank Mhaldar**, who warmly welcomed the distinguished guest, Dr. Rajesh Pednekar, along with the Head of the Department of Chemistry, Mrs. Deepa Audi, staff members, and students. Mrs. Deepa Audi introduced the guest speaker, after which Dr. Pednekar spoke on the topic **“Eco-friendly Life for a Sustainable Future.”**

In his address, Dr. Pednekar emphasized the urgent need for sustainable practices to combat the growing environmental challenges. He highlighted the importance of reducing waste, conserving natural resources, and adopting greener alternatives in everyday life. The lecture focused on simple yet impactful lifestyle changes that individuals can incorporate to reduce their ecological footprint and contribute to a cleaner, healthier planet.

The session was highly informative and thought-provoking, inspiring both students and faculty members to integrate eco-friendly measures into their personal and professional lives. The program concluded with a presentation of a memento to the guest speaker, followed by the vote of thanks delivered by Mrs. Manisha Mhalsekar. A total of 40 students and 8 faculty members attended the session.

Mrs Deepa M Audi, Mrs Manisha Mhalsekar and Dr Shashank Mhaldar co-ordinated the session.
